Student Debt Solutions

Easily Offer Student Loan Assistance

More than **44 million people** have outstanding student loans and nearly **30% are past due on their payments**. Now is the time to address this need by providing this important solution to borrowers while expanding your service offerings with little effort!

Partner with Student Debt Solutions (SDS) to begin offering student loan assistance with our self-service, online platform that helps borrowers understand what their options are and what their next steps should be. SDS provides borrowers:

✓ **Comprehensive Review:** Our platform covers all public and private loans, including defaulted and Parent PLUS loans— *often overlooked by other tools, including studentaid.gov.*

✓ **Free Analysis:** In just 10 minutes, users can see if they qualify for lower payments, forgiveness or loan cancellation —*no credit card required.*

✓ **Recommended Solutions:** We'll highlight the best plan based on a borrower's loans, financial situation and future goals to help cut through the complexity.

✓ **Support for Action:** Borrowers can choose from 3 plan options, including access to a live counselor, to get the resources needed to prepare, sign and submit their new plan.

" **Student Debt Solutions is absolutely incredible**...I felt lost regarding how to navigate my student debt...SDS provided **invaluable guidance** that empowered me to **make informed decisions.**"

— A.S., Florida

PROVEN RESULTS

Based on the analysis of 1000's of borrowers using SDS, we've found:

- **50% average reduction** in monthly payments
- Forgiveness opportunities for nearly 50% of users
- Loan cancellation for around 20% of users

51% of renters say student debt is preventing them from buying a home

Give clients a way to **tackle their student debt** by understanding their options and see solutions free of charge.

Missed or late student loan payments can **negatively impact a borrower's credit** and **high monthly payments** can limit the ability to save for a down payment.

Help clients **reduce their monthly debt-to-income ratio** to qualify for better rates.
